ET Docket No. 95-18; WTB Docket 00-258

Dear Ms. Dortch:

On August 1, 2003, ICO Counsel Cheryl Tritt, and the undersigned, representing ICO Global Communications (Holding) Ltd. ("ICO") met with Paul Margie, legal advisor to Commissioner Michael Copps, to discuss the above-referenced dockets. ICO noted the complex nature of the existing plan for relocation of current operators in 2 GHz spectrum by new MSS entrants. ICO urged the Commission to consider the need for a detailed and updated record before adopting any alternate relocation plan in accordance with recent Commission decisions on reallocation of part of the 2 GHz band.

In accordance with section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.

Very truly yours,

/s/ Suzanne Hutchings
